

IMPORTANT NOTE ABOUT TEACHERS' GUIDES

With the addition of online delivery via *StreamlineSC*, teachers' guide can now be found in a number of places. To make finding them easier, we've designed a "guide grid" to consolidate this information. At www.itv.scetv.org/guides/guides.htm, you'll find an alphabetical listing of each ITV resource, with links to all available copies of its guide. If it's available electronically, we link you directly to it. If it's in *StreamlineSC*, we send you there. If it's available via hard copy we link you to a form, which you can use to order it via mail or fax. Also, don't forget our Searchable Database of Teacher's Guides from which you can also place an order for hard copies of available guides.

PBS SERIES FOR KIDS AND ETV'S READY TO LEARN (Open Circuit)

PBS Series for Kids such as **Arthur**, **Between the Lions** and **Sesame Street** are made available through ETV's membership in The Public Broadcasting System. Ready To Learn is an effort by ETV to help South Carolina's preschoolers prepare for first grade.

- For up-to-date information on the schedule of PBS programs for PreK-6, check the ETV Kids Learn Web site at www.etvkids.org. Except where otherwise noted, program Web sites can be found by visiting pbskids.org and clicking on the desired program title.
- In planning for instructional use, please be aware that the schedule is not announced until late summer and changes to this schedule can be made by PBS at any time, without prior notice. Neither ITV nor ETV has any control over changes made in announced broadcast times, lesson order or series/lesson deletions.
- Some PBS/RTL series may be broadcast on digital satellite. Since lesson titles and schedules are not available until late summer, this information will be announced in the monthly *ITV Update*.
- Each of the PBS Series has the same rights: Limited broadcast/off-air record use (no duplication). All schools may record these programs as they are broadcast and retain the tape for one year.
