DATED MATERIAL!

Updated ITV Preview Information - Please Use This Version!

- Limited Rights for Broadcast - **Becoming a Better Me, Becoming Successful in Middle School** (old and new lessons), **Exploring Healthy Choices, A History of Women's Achievement in America**, and **20th Century Turning Points in US History** ALL have limited broadcast rights for ITV to air and repeat. Because we can only air these series once in the fall and once in January or February, we will NOT air them as planned in August, but will announce a special September broadcast in the *ITV Update* and in NEWSFLASH. Please make sure you record these programs when we air them as we cannot repeat them. ALL will be available in *StreamlineSC*.
- The **Statewide Focused Professional Development - Mike Schmoker** presentations that aired August 13 will be repeated ONE time. The presenter has graciously allowed SCDE to repeat his two-part presentation since some schools did not have their new receivers. There are still NO rights to record, only view presentations. Special repeat is announced in block below.
