

Instructions for obtaining an account and accessing the Nutrition 101 course within SCETV's Moodle.

Establishing an account:

You will need to establish a Moodle account for SCETV's Moodle site. (Moodle accounts from other Moodle sites do not migrate to a different Moodle site.) You will need a separate Moodle account for each site.

1. Go to <http://moodle.scetv.org/>
2. Locate the Login window to the right of the page
3. Click on "Create new account"
4. Complete the form and establish your account.
5. Now you should be able to navigate to the course.

Already have an SCETV Moodle account:

Use the same steps below to access the course.

Entering the course for the first time:

1. Once you are logged into the system.
2. Locate the "SC Healthy Schools" button in the left column listing "Course Categories" and click on it.
3. You will be routed to a secondary page.
4. Click on "Nutrition 101: Nutrition Basics for K12 Health Educators"
5. When prompted enter in code "SCDE NUT101"
6. You are now enrolled in the course and ready to begin.
7. When you return the course will be listed in "My course" in the left column. Click on the Nutrition 101 listing and you will be routed to the courses page.

Important notes:

- When setting up your account
 - Be sure to enter in your name as you would like it on your certificate.
 - Use an email address that you monitor. A copy of your certificate will automatically be sent to you in PDF format upon first accessing the
- Once you have passed the final quiz you should access your certificate of completion so that it will reflect the current date.
