***The Arts in Every Classroom*** course is designed around Annenberg/CPB Professional Development Workshops. This self paced course provides new ideas about working with the arts for K-5 classroom teachers and art specialist teachers. This one-hour course shows workshop leaders from the Southeast Center for Education in the Arts working with Learner Teams of teachers, principals, and arts specialists from three elementary schools. Using a curriculum unit based on a multi-arts performance piece by Cirque du Soleil, the participants learn to design their own arts-based units.

All class meetings will take place through distance learning. The instructor and participants will communicate via Moodle — the course platform on the Internet. Assignments and discussion forums will be facilitated in Moodle.
