Register Online: www.emedia.scetv.org

Recertification: 20 Renewal Credits

Cost: \$50.00

The **Teaching Reading: 3-5 Workshop** self paced course is designed around Annenberg/CPB Professional Development Workshops. This course affords participants the opportunity to help students progress from "learning to read" to "reading to learn." In this one-hour course, the first eight half-hour videos show literacy experts discussing both current research/techniques for learning to read, and how to teach a diverse range of students. These techniques demonstrate actual classroom activities that emphasize such topics as fluency, word study, and assessment. The second eight half-hour videos highlight in greater detail the activities discussed earlier. Both the veteran teacher and one new to teaching will find ideas/techniques to supplement their teaching.

All class meetings will take place through distance learning. The instructor and participants will communicate via Moodle — the course platform on the Internet. Assignments and discussion forums will be facilitated in Moodle.
