Course Dates: September 25, 2010 – January 8, 2011

Registration Deadline:
September 23

Course begins online September 25!

College, Career, and Academic Planning Overview

This new two-hour course developed for practicing professional school counselors and pre-service counselors, includes four sessions that focus on engaging students in early career awareness and planning, using data to guide academic planning, transition of students from middle school to high school and then to college, and the importance of postsecondary choices and finding the right postsecondary fit. Participants will be engaged in building knowledge and skill in each of these areas, and they will engage in constructive discussions in a learning community with their colleagues during each session.

All class meetings will take place through distance learning. The instructor and participants will communicate via Moodle—the course platform on the Internet. Assignments and discussion forums will be facilitated in Moodle.

Prerequisites

This course is for school counselors. Participants are expected to have regular access to computers, and proficiency with email and current web-browsers.

- Participant registers online at www.itv.scetv.org
- Print registration form (keep a copy)
- Mail registration form to:
