NEW Riverbanks Roundup-Eco Adventure with Cousteau

May 28, 5:00–5:27 p.m. ETV open circuit

Also access online in *StreamlineSC*

Repeats May 29, 11:00–11:27 a.m. SC Channel (SCC)

Repeats June 1 and 4, 10:00–10:27 a.m. Channel 1 (Unlimited rights)

In **Riverbanks Roundup - Eco Adventure with Philippe Cousteau** students are invited to join in as we journey through Riverbanks Zoo and Garden searching for ways to support a healthy Earth and all its creatures! Conservationist **Philippe Cousteau** is the 30 year-old son of Jan and Philippe Cousteau, Sr. and the grandson of Captain Jacques-Yves Cousteau. In March 2010, Philippe, Discovery Education's Chief Spokesperson for Environmental Education, came to South Carolina ETV to host a special event to celebrate the success of *StreamlineSC* and present the SCETV and Discovery Education "Lifetime Utilization Awards."

While in our state, Philippe visited Riverbanks to explore the aquarium, feed African Tortoises and help clean up the Saluda River with **Riverbanks Roundup** host Katie Mixon and a great group of Zoo Teens. In this special program, Cousteau shares his passion for conservation and passes on the power to make a positive difference to Zoo Teens and South Carolina kids.

As a member of the legendary family, Philippe is continuing the work of his father and grandfather through **EarthEcho International** (www.earthecho.org). Philippe's travels have taken him diving, rock climbing, trekking, and snowboarding around the world. From expeditions in the highlands of New Guinea to war-torn Sarajevo, where he provided humanitarian aid, he has learned that exploring the connections between humans and the environment are as important as exploring nature itself.

In addition to this special May program with Philippe Cousteau, the April edition of **Riverbanks Roundup – African Safari** repeats May 4 at 10:00 a.m. on channel 1. *Jambo...* that's "hello" in Swahili, the language spoken in East Africa! Grab your hat and join **Riverbanks Roundup** for this NEW edition entitled *African Safari*. We'll explore the zoo on an African Safari where students can meet African mammals and plants close up and learn about how they survive in the wild.

Riverbanks Roundup will continue on ETV during the summer. It airs on ETV the last Friday in every month at 5:00 p.m. and repeats on the SC channel (SCC) the following day at 11:00 a.m. ITV will repeat the programs that air on ETV during the summer when the ITV schedule returns in August.

Please make sure your elementary teachers and science specialists know about this series that can support standards in grades 2–5 and is also a great resource for middle school and older students. Students can e-mail questions for future programs to RiverbanksRoundup@Riverbanks.org. The **Riverbanks Roundup** series is produced by ITV and ETV, working with the expert professionals at Riverbanks Zoo and Garden.

***ITV Link* for 2010–11: Need Count & Alert School Staff**

IMPORTANT: Please help us determine how many copies of the *ITV Link* you need for your teachers, including special area teachers. The *ITV Link* is the educator’s guide to video-based resources and a copy is printed for each teacher. The purpose of this publication is to provide educators with information they need to identify and access resources available through ITV and ETV by broadcast and online in *StreamlineSC*.

Fax the form on page 27 by May 31 to let us know your updated count for 2010–11 or e-mail the information to Bonnie McMurray in ITV at mcmurray@scetv.org. It is important that we know how many copies you need so we make sure that we print enough to begin with and we send you the number you need for your teachers. Thank you for providing this information by May 31.

ALERT YOUR ADMINISTRATION AND CUSTODIAL STAFF: Copies of the 2010–11 *ITV Link* will be distributed to media specialists in early to mid August through your local DES personnel or sent directly to each school in marked boxes or large envelopes. It is important that you alert your administration and custodial staff that these packages will be coming. Please plan a place to put them when they are delivered to your school so they will be where you know they are when you return.

ITV New School Year Packet

A packet containing a “boat load” of new information about resources, registration materials for fall ITV recertification courses and flyers on new programming will be sent to each media specialist and DES by mid August. Important news from ITV and ETV will be included so please open immediately!

ITV Resources* Book, Web Site, Monthly *ITV Update

- ***ITV Resources* book** - The complete resources book lives on the Web! This is the same informational resource (but updated!) that you have used for years. It is still alive and well, but only accessed online. Please access this by the start of the new school year and remember that you are welcome to print hard copies from the Web as needed.
- ***ITV* Web site** - Individual lesson titles, exact duration lengths and schedules can be found on the ITV Web site www.itv.scetv.org. This site has the most current information.
- ***ITV Update*** – Programming additions, including the many teleconferences for students and teachers, will continue to be provided in the monthly *ITV Update* sent in hard copy to library media specialists, principals, district instructional leaders, and district superintendents. Many of the national offerings do not announce their schedule in time to be included in the *ITV Link* or online *ITV Resources* book. Therefore, they are announced monthly in the *ITV Update*, which is posted on the Web by the 25th of the preceding month. So, you don’t have to wait on it to arrive by “snail mail.” Check the ITV Web site at the end of the month, access the word version and e-mail key information to your teachers!

OnePlaceSC – ETV’s K–12 Educational Portal

ETV offers this educational service to assist SC teachers! **OnePlaceSC** allows teachers to search all their quality educational content, including Knowitall.org, *StreamlineSC*, PBS Teachers and Kids, Annenberg, and Teachers Domain. In addition, it makes the State Department of Education’s ITV resources and State Library’s DISCUS content sites available.

Funded by the K–12 Technology Committee, **OnePlaceSC** also contains a TV guide feature displaying all of ETV’s satellite and broadcast LIVE programming, which can be streamed on-demand. This includes professional development programs. Teachers and staff may use their existing *StreamlineSC* username and password to explore all the educational tools in **OnePlaceSC**. Thank you for assisting your teachers with using **OnePlaceSC**!

New ITV Series for 2010–11

New ITV resources were reviewed by educators and approved by the State Board of Education to be used in South Carolina schools as supplemental resources to support the curriculum.

***ALL these series have UNLIMITED rights and will be available in StreamlineSC (SL).**

aboUt: 4 HEALTH-E Teens

Grades 5–12 4 lessons/27 minutes Health/Physical Activity

Dr. Gariane Gunter, psychiatry fellow and Mrs. United States 2008, talks with teens about eating smart and moving more. Student-produced videos introduce topics for discussion and a health expert provides facts about health, nutrition and physical activity as teens share with their peers. Program four addresses eating disorders.

Almost Invisible: Black Patriots in the American Revolution

Grades 3–8 5 lessons/5 minutes Social Studies

South Carolina Illustrator/Author Kate Salley Palmer's artwork and historical stories come to life in these short video programs about famous and little-known Black Patriots in the American Revolution. With a narrator, character voices and sound effects, ITV dramatized the stories using Palmer's original artwork from her book.

Career Clusters

Grades 6–12 2 lessons/35-47 minutes Career Guidance

These two programs are presented by Dave Walker, Director of the Regional Career Specialists. **Career Clusters: What it takes...What it makes...and Guess who has done it?** provides information on what it takes to get and do a job, what a person makes in certain jobs as well as who does this job. **Career Clusters: Show Me the Money** talks about salary levels of jobs within each career cluster.

Celebrate Freedom/Doolittle Raiders

Grades 3-12 2 lessons/27 minutes Social Studies

Celebrate Freedom Education Day 2009 highlights the April 2009 reunion of the Doolittle Raiders in Columbia, focusing on their heroic mission and the future. **Honoring Heroes-The 67th Doolittle Raiders Reunion**, produced by ETV's Mark Adams and his daughter Morgan who is a student at Crayton Middle School, documents their experience of meeting the remaining Doolittle Raiders in 2009.

Congaree National Park

Grades 3–12 2 lessons/57 minutes Science/Environmental Ed.

In **Project Discovery-Congaree National Park** naturalist Rudy Mancke takes students on a field trip to learn the history and experience the champion trees and astonishing biodiversity as we explore the largest remnant of old-growth floodplain forest remaining on our continent and talk about its conservation. ETV's **Roots in the River–The Story of the Congaree National Park** chronicles the history of our state's national landmark from the 1890s through struggles to preserve it in the 1970s and classification as a National Park in 2003.

Creating a Career with the Arts in Mind

Grades 6–12 6 lessons/19–21 minutes Career Guidance/Arts

This series with SCDE's Ray Davis and Scot Hockman features eight SC artists – forensic artist, arts administration, interior design, printing, art therapy, painter, landscape art, graphic art – in a discussion about how the arts can be embedded in the 16 Career Clusters. They talk about career preparation, what they do in their jobs, and developing 21st century skills, including innovation, problem solving, creativity, and critical thinking.

Environmental Ed

Grades 2–5 11 lessons/5 minutes Science/Environmental Ed.

These fast-paced programs challenge students with facts, stories, investigations, questions, and Eco-quests to "leave no friend inside and carefully walk upon the earth." "Environmental Ed," an energetic and friendly nature-wise guy, welcomes students to his jam-packed Nature Shack. From there students explore the world around them, learning about food chains, plant and animal survival, bio-diversity, pollution, conservation, recycling, green energy and technology, environmental health, and so much more!

New ITV Series for 2010–11 (continued)

Gettysburg National Military Park

Grades 4–12 **4 lessons/60 minutes**

Social Studies

This series is provided by the Gettysburg National Military Park to bring history to life. In one program students will find out whether a business executive succeeds in securing key Gettysburg properties for her firm or leaves Gettysburg understanding that historic value sometimes trumps property value. The program follows her journey with her teenage son as she rediscovers a battle and a speech that shaped a nation.

Gilbert Middle School Gives Flight to Veterans

Grades 3–12 **1 lesson/30 minutes**

Social Studies

This program tells the story of Gilbert Middle School students honoring local veterans and sponsoring them to participate in an Honor Flight to see the memorial in Washington, DC. ETV cameras visit the school, follow the WWII veterans on the flight and join in the celebration at the school upon return.

Hurricane Hugo

Grades 3–12 **3 lessons/27–60 minutes**

Science

The “storm of the century” had a big impact on the animal and plant life in SC. Through these programs, including **Project Discovery-Lessons Learned from Hurricane Hugo** where Naturalist Rudy Mancke helps students learn what a hurricane is, students can see Hugo’s path through SC, learn about the science of storms and hear about the physical/economic impact as we focus on the importance of being prepared.

Ice Age Discoveries

Grades 8–12 **2 lessons/30 minutes**

Science

Prince William Network (PWN) is providing two programs on recent archaeological discoveries and the science of archaeology in relation to these digs. These new discoveries in Virginia provide compelling evidence that humans inhabited the area at least 18,000 years ago and well before Clovis culture.

Palmetto Leaders – SCANS Skills

Grades 6–12 **13 lessons/4–12 minutes**

Career Guidance

Development of SCANS Skills is critical to students as they go into the workplace. These programs focus on the SCANS Skills that SC leaders identify as being instrumental in their career growth and success. Hear about problem solving with Chief Justice Jean Toal, creativity with artist Jim Harrison, writing with Dr. Walter Edgar, teamwork with Coach Buddy Pough, and responsibility with Riverbanks Director Satch Krantz, plus others!

Reading, Safety & Internet Safety Minutes

Grades 6-12 **6 lessons/6 minutes**

Language Arts/Safety

Two of these short programs provide a fun, unique way to encourage middle and high school students to read for fun as well as for information. The other four attention-getting vignettes are designed to help students understand how to be safe at school, at home and online. School Resource Officers talk about what is the safe behavior in each situation.

SC Aviation Association: Hall of Fame

Grades 8–12 **5 lessons/8–11 minutes**

Social Studies

Provided by the South Carolina Aviation Association, this series includes programs about aviation in our Carolina skies, pioneering women aviators, aces of World War II, stories of South Carolinians in space, and the history of aviation in our state.

Searching for Life in Great Smokey Mountain National Park

Grades 3–8 **1 lesson/60 minutes**

Science

Provided by the National Park Service, this program allows students to explore the mountain ecosystem and discover the reasons for the variety and abundance of life found there while learning about the interrelationships with the dynamic forest communities and the human-caused impacts that are affecting the web of life in these southern Appalachian Mountains.

New ITV Series for 2010–11 (continued)

Show and Tell Nature with Rudy Mancke

Grades 6–12 12 lessons/22–62 minutes Science/Natural History

These programs about natural history give Naturalist Rudy Mancke the opportunity to share his in-depth knowledge on a variety of topics, including fossils, geology, skulls/bones, mountains to the sea, snakes, and insects. These interesting lessons can be used with students in upper elementary through high school.

Take on the South

Grades 8–12 2 lessons/60 minutes Social Studies

Take on the South is a series of one-hour debates produced by ETV for USC's Institute for Southern Studies (ISS). Hosted by Dr. Walter Edgar, each program features a debate between distinguished guest experts on a historical or current issues related to the South.

Tune Up to Literacy

Grades Pre-K–3 5 lessons/2–3 minutes Literacy

This series encourages literacy using original songs by composer/lyricist and educator Dr. Al Balkin, former Western Michigan Professor and composer who wrote the music for America's first production of *The Hobbit* as well as several off-Broadway children's musicals. The fast-paced, short programs musically introduce and reinforce crucial literacy concepts such as using the period, punctuation and sentence construction with Dr. Balkin's original songs like "Get the Point" and "Call on a Verb!"

Tyrone Geter Unveiled: A SC Artist and His Work

Grades 6–12 2 lessons/27 minutes Career Guidance/The Arts

In these programs, students meet renowned artist and Benedict College Art Professor Tyrone Geter to learn about his career as we visit his studio and listen in as Scot Hockman, SCDE Visual and Performing Arts, talks with him about his mural on contemporary slavery entitled *Look Beneath the Surface*.

ITV Series DELETED After the Current School Year

The following series have been removed and must be deleted by August 2010. Please destroy or erase copies. If you want to keep copies, retention rights must be paid to distributor. Contact ITV.

ETV Road Show Travels SC *

*** This series was not completed last year as planned.**

Teen Kids News **

**** This series is available on FOX Network – see page 15 in**

Voices in Democracy: H.S. Edition

"Web Talk" article by Michelle Flamos.

NOTE: At the time this publication went to print, these were the only series that ITV knew would be deleted for next year. However, there may be others after all leasing agreements are made. Please be sure to check the ITV New School Year Packet and *ITV Link* that you will receive in August.

Series Deleted from ITV Schedule - Important

Schools and districts **MUST ERASE OR DESTROY** tapes/DVDs for the deleted/removed series unless retention rights are arranged with distributor. (See **RETENTION RIGHTS** info below.)

Series that will be removed from the ITV schedule for 2010–11 are announced on page 6. Look for more details in the 2010–11 *ITV Link*, the online *ITV Resources* book and in the ITV New School Year Packet.

***For a list of all series deleted over the last 17 years, check the ITV Web site under Program Information as “Previously Deleted ITV Programs.”**

Several series were no longer available for distribution. Others are being removed because they are older resources. And, some have been deleted this year due to increased costs to access.

RETENTION RIGHTS: If your school or district is interested in retaining the tapes or DVDs you have made, you will need to contact the distributor at the number that will be provided to find out the availability of retention rights (keeping your tapes for the life of the tape and paying a yearly fee to the distributor). Usually retention rights cost about \$1.00 per minute paid on a yearly basis.

Special Previews Start August 16

Schedule will be posted on Web by August 9

The schedule for the “Special ITV Previews” set for August will be listed on the ITV Web site at www.itv.scetv.org by August 9. Information on the schedule will be included in the ITV New School Year Packet, but you will NOT receive a separate printed document with the complete schedule. As soon as the preview schedule is ready, ITV will print one hard copy for each DES and mail it to them. Media Specialists should plan to view the complete preview schedule from the ITV Web site.

*Contact Rhonda Raven at rraven@scetv.org or 1-877-885-5272 in August if you need this information and cannot access it from the Web.

More ITV & ETV Programs Available in *StreamlineSC*

More than 1,630 ITV and ETV programs are available online! Look for the notation **SL** in the 2010–11 *ITV Link* that indicates the series is also available in *StreamlineSC*. This notation will be included in the “Curriculum Overview” list and after the series titles in the “Alphabetical Descriptions.” As we add other series that we produce or obtain to *StreamlineSC*, we will announce the availability in the *ITV Update* and on the Web site.

Teen Kids News – Where to Access It

This series will no longer be available in the ITV schedule after May 28, 2010. Visit <http://www.teenkidsnews.com/showtime/showtimes.html> to see when it airs in your local market because it is available on commercial stations in our state. Scroll down and choose South Carolina. You may record and use these under the 10 day fair use copyright provision.

Summer 2010 ITV Recertification Courses – Post Info!

Please cut and post the info on the summer courses found on the last pages of this update or access the flyer posted on the ITV Web site to send to your teachers. Thank you!

Please let your teachers know to register now!** If teachers have questions after checking the ITV Web site, please contact Bonnie McMurray in ITV at mcmurray@scetv.org, (803) 737-3350 or 1-877-885-5272.

NEW Special - Working Together for Health and Learning: A Coordinated Approach to School Health

May 5, 9:00–9:16 a.m. Channel 1

Also available online in *StreamlineSC* & Educator+

Repeats May 12, 9:00–9:16 a.m. Channel 1 (Unlimited rights)

To reach our academic goals, schools, families, and communities must address the needs of the whole child. Using a coordinated school health approach, schools provide opportunities for students to learn and practice positive health behaviors so they can be fit, healthy and ready to learn! This NEW program discusses the Centers for Disease Control and Prevention's coordinated school health model and how collaboration among the eight components - Health Education; Physical Education; Health Services; Nutrition Services; Counseling, Psychological, and Social Services; Health Promoting Environment; Health Promotion for Staff; and Family and Community Involvement - can help students establish healthful behaviors and attitudes.

Produced by ITV and ETV with SC Healthy Schools, this program was funded by SC Healthy Schools. Funded by the Centers for Disease Control and Prevention, South Carolina Healthy Schools is a partnership between the South Carolina Department of Education and the Department of Health and Environmental Control to improve health and academic outcomes of the state's school-aged youth.

For more information about using the coordinated school health model to improve the health of your students and staff, contact Lynn Hammond, Program Manager at (803) 734-8076, lhammond@ed.sc.gov or Lara Peck, Physical Activity, Nutrition, and Tobacco Coordinator at (803) 734-3197, at lpeck@ed.sc.gov. Visit Web site at www.ed.sc.gov/healthyschools.

EdAware Addressing Childhood Obesity– NEW Programs

Block Feed of Programs 4, 5 and 6 May 5 and 12, 9:30–11:57 a.m. Channel 1 (Unlimited rights)

June 3 (Prog. 4), June 10 (Prog. 5) and June 17 (Prog. 6) 5:30-6:00 p.m. SC Channel (SCC)

EdAware is a NEW educational series produced by ITV and ETV! The first group of **EdAware** programs is designed to **increase understanding of the problem of childhood obesity** and related health, nutrition and physical activity issues and to make viewers aware that they are part of the solution. The programs are designed for adults - educators, parents and your school community.

SC Department of Education's ITV team, South Carolina ETV, SC Department of Health and Environmental Control (DHEC), SC Institute for Childhood Obesity and Related Disorders, and the "Eat Smart Move More SC" Coalition have partnered to provide these important programs.

The first three programs have aired on ETV, the SC Channel and in the ITV schedule. This is the first broadcast of programs 4–6, which continue on the theme of understanding childhood obesity.

ITV will block feed the new programs in May and they will air on the SC Channel one each week beginning June 3 and continue June 10 and 17, all at 5:30 p.m. See schedule above.

Program 4 - **EdAware: Eat More Family Meals at Home & Tame the Tube**

Program 5 - **EdAware: Right Size Your Portions & Re-Think Your Drink**

Program 6 - **EdAware: Getting an Early Start on Eating Smart and Being Healthy**

Each of the programs begins with an expert such as Dr. James Stallworth, Associate Professor of Pediatrics at USC School of Medicine and Director of SCICORD, or Dr. Gariane P. Gunter, Psychiatry Fellow at Palmetto Richland Memorial Hospital, giving a brief description of the problem. Then Susan Collier, MS, RD, LD with SC DHEC Region 3 hosts discussions with experts in pediatrics, public health, health education, and nutrition and also other health and nutrition resources are shared.

These programs are important for adults who care about the health of children. Please share with your district/school administration, all teachers, school health professionals, and school community.

NEW - Special Programs for Prom/Graduation Safety

Block feed May 5, 9:00–11:35 a.m.* Channel 2 Also online in *StreamlineSC* and Educator+
Repeat block feed May 12, 9:00–11:35 a.m.* Channel 2 (Unlimited rights)

These NEW ITV programs have been coordinated and hosted by Kimberly Smith, SCDE Safe and Drug-Free Schools. The first program is designed for educators and parents and the other important program is targeted towards teens. Please access for your school and community.

- **New Fads in Teen Alcohol Use** with Kristy A. Stoneburner, MPH, CHES, CPP. Ms. Stoneburner is Program Coordinator for Lexington One Community Coalition (LOCC). PEEL it! Spark it! Spyke it! This interactive workshop will explore new trends in underage alcohol use. Current information on teen alcohol use will be presented, along with a review of emerging products. Participants will analyze a variety of products and examine advertisers' role in marketing alcoholic beverages to youth to enable understanding of the scope of underage drinking both locally and nationally, examine the role of the environment on underage alcohol use and identify new trends in underage alcohol use. (*9:00–10:30 a.m.)
- **Prom/Graduation Safety Tips, Underage Drinking and the Consequences** with Lance Corporal Robinson who is the Community Relations Officer with SC Highway Patrol. This presentation is targeted to teens to provide safety tips around this time of prom and graduation celebrations and to discuss underage drinking and the consequences. (*10:35–11:35 a.m.)

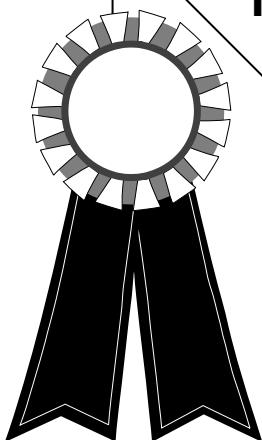

* These programs are being taped so the exact durations are not known yet.

For more information about content, contact Kimberly Smith at kwsmith@ed.sc.gov.

Specials for National Safety Month

- **Reading, Safety and Internet Safety Minutes** – May 10, (**High School**) 11:00–11:04 a.m. and (**Middle School**) 11:06–11:12 a.m. on channel 1. These NEW segments were part of the **LMS Special** that aired April 15. Produced with Dutch Fork High School and Gilbert Middle School students by Martha Alweine with ETV, these short segments are provided for high school and middle school students to help them think about their own safety and realize the importance of cyber bullying. (Unlimited rights)
- **XPress: Safety for Students** – Repeats May 10, 11:15 a.m.–12:14 p.m., on channel 1. Designed for middle and high school students, these two programs feature teens that are part of the SC Department of Education's Office of Youth Services Youth Advisory Board. Students join Dr. Glen Walter to talk about important issues that teens deal with every day. These programs focus on cyber safety and mental health issues. (Unlimited rights)
- **I'm Safe** – Repeats May 10, 12:20–12:31 p.m., on channel 1. Designed for grades 1–3, *I'm Safe on Wheels* is an animated lesson created by Slim Goodbody that helps young children know how to stay safe. (Unlimited broadcast/off-air record use, but no tape duplication)
- **Life Skills 101** – Repeats May 10, 12:35–1:32 p.m. on channel 1. Designed for grades 2–3, the five lessons, each between 9–11 minutes in duration, emphasize National Health and Education Standards. The lessons help children explore health-supporting life skills such as decision making, goal setting, self management, passing on health information to others, and assessing the health values of products in the media. (Unlimited broadcast/off-air record use, but no tape duplication)
- **Safe Student School Scenarios** – Repeats May 10, 1:40–3:31 p.m. on channel 1. Designed for middle and high school students. Produced by ETV, these short dramatizations are part of the **Partnership Training for Law Enforcement and Education** recertification course and can be used with students to initiate discussion on various topics, which include whether to tell or not to tell, dealing with prejudice, rumors, and conflict resolution. See page 64 in the online *ITV Resources* book for lesson titles. * Teachers are strongly advised to preview these lessons before using them in the classroom. (Unlimited rights)

Curriculum and Content Corner...getting ready for college, summer jobs and vacation safety... with *Dianne L. Gregory*

The month of May is a busy time to plan ahead for college, summer jobs and summer vacation. **ITV** resources can assist in preparing your students for the excitement of this time of year. College preparation...the program and information guide for **Finding Money for College** is available to parents and students through **Career Aisle** on knowitall.org as well as our **ITV** web site <http://www.itv.sctv.org/>. Guidance counselors and teachers can also locate the program on *StreamlineSC*. Aid categories, tips for parents and students, scholarship and grant resources are available from this site. **Your College Experience: Strategies for Success** is a series designed for use with students that are looking ahead to college. Keys to success, time management, learning styles, listening and learning in the classroom, making the grade, major and career planning are just a few topics covered in this "ITV By Request" program. Information for this program can be found in the *ITV Resource Book* page 100. In conjunction with college preparation and career goals, **Tools for Financial Success** introduces a number of simple tools that anyone can use to improve his or her financial position in preparing for the future. Participants will see the importance of having financial goals and keeping good records. Basic financial tools such as checking accounts, bank accounts and credit are addressed. For upper elementary and middle school students, the **Pygg E. Bank Economics** series about economic empowerment of youth teaches financial literacy in a fun format. Produced by **ITV** with **ETV** working with the Educational Arts Programs of America, **Pygg E. Bank Economics** encourages the piggy bank theory of saving and managing money.

Preparations for employment can be a daunting task for students. **Careers for the 21st Century** explores a variety of careers and skills required for the task. **The World of Work Series** also available on *StreamlineSC* helps students and entry-level employees understand the attitudes and work habits needed for success on the job. Viewers learn the importance of being a team player on the job, see why every job is important, and discover why it is important to ask questions and follow company rules and procedures. Understanding the importance of getting along with co-workers and employers is another aspect of this series. The program examines safety on the job and diversity in the workplace. Other key factors of this series emphasize the importance of behaving responsibly on the job and the possibility of serious legal problems related to substance abuse. Searching for "career and workplace skills" on *StreamlineSC* will give you access to 1,735 resources on the topic. Many programs can be viewed in Spanish and English; additionally, teacher guides can be retrieved from the site. **School to Work: Essential Skills and Workplace Basics**, a Sunburst series, provides students with information concerning interpersonal skills, thinking skills and technology skills that are an important part of every work place.

As summer arrives, safety and first aid skills are critical for the elementary/middle school student when many students have care-giving responsibilities for others. **Safety and First Aid**, available on *StreamlineSC*, provides a valuable resource and facilitator's guide to skills such as first aid practices for cuts and scrapes, step by step procedures for assisting a choking victim and home safety practices. Safety resources provided by **ITV** for older students as they navigate through life's tough choices include **Talking It Over: Teen Issues** and **Teen Survival Programs**. These programs provide an insight into the harsh reality of risk taking behaviors and consequences. **Safe Student School Scenarios**, produced by **ETV** and available through **ITV** and *StreamlineSC* provides ten short dramatizations of serious issues facing students today. Teacher preview is advised. Additional resources for young students include **Safety City**. Planning ahead for a new school year, give your school the gift of **free training**. Contact **ITV** for available inservice assistance!

Bryce Canyon National Park Electronic Field Trip

May 18, 10:00-11:00 a.m. and 1:00-2:00 p.m. Channel 2

(Unlimited rights for schools to keep and use; broadcast rights for one year)

What is Bryce Canyon? Is it a cave without a ceiling? A forest of stone? Is it really a canyon, a giant pothole in the Earth's crust or the slope of a giant plateau? Come on this educational adventure sponsored by the National Park Service and the National Park Foundation to visit this geological wonderland in Utah that is filled with spires, mazes, arches, stunning sunsets, and remains of dinosaurs!

These unique geological and paleontological resources have been shaped and etched by millions of years of water, temperature extremes and plenty of additional natural dynamics. During the two LIVE broadcasts, students will join in the hunt for signs of land and aquatic dinosaurs, explore "hoodoos," which are unique limestone formations, and meet some of the wild animals that live in this extreme environment while they learn about Bryce Canyon's role in Utah's unparalleled suite of national parks. Learning modules to support the broadcasts are available at <http://www.brycecanyonft.org/>.

Colonial Williamsburg Electronic Field Trips 2010–11

Great for 4th and 5th Grades - Apply for a FREE Scholarship Through ITV*

The CWEFT programs use 21st century technology to enrich the teaching of history and social studies. The field trips are correlated to national standards and provide a compelling learning experience for grades 4–8, using re-enactors to play the roles of historical figures. ITV offers one scholarship for each program.

***You are invited to apply to ITV for a scholarship for one CWEFT program in 2010–11.**

The scholarship for one program entitles your school to receive the excellent teacher materials and participate online/via telephone during the live program. You may also keep the recording of the program for the life of the tape. If you have never received a scholarship, send your name, school, district, and @ number of students using program to mcmurray@scetv.org by September 10, 2010. Apply now so your school will have a chance to be selected!

Now is the time to plan for using all the 2010–11 Colonial Williamsburg Electronic Field Trips!

Talk to your PTO about sponsoring the programs for next year. SC schools can receive all seven programs for around \$500. Though schools may view FREE and record programs with 10-day fair use rights (can tape and use for 10 days from broadcast date, but must erase tape within 45 days), there are advantages to paying the fee to Colonial Williamsburg to participate. By paying the fee, schools get teacher materials, get to keep the recorded program for the life of the tape and have access to the re-enactors/historians online and via a toll-free number. Call Mr. Van Eck at CWEFT 1-800-761-8331.

2010–11 Schedule:

- | | |
|---------------|--|
| Oct. 14, 2010 | <i>The Will of the People</i> – One of the most bitter presidential campaign in U.S. History is part of a surprising lesson for a 21 st -century student. Thomas Jefferson explains how negative campaigning, partisan politics and contested elections have been part of our political system since the earliest days of the republic. |
| Nov. 18, 2010 | <i>The Bill of Rights</i> (premiere) – The Bill of Rights protects individual freedoms, but what if the government had too much power and there was no such thing as the Bill of Rights? Explore an alternate reality in which individual rights are limited and life is very different. |
| Dec. 16, 2010 | <i>Founders or Traitors?</i> – The months of late 1776 were “the times that try men’s souls.” Join Edward Rutledge, Benjamin Franklin and John Adams as they attend a conference with British admiral Lord Howe, hoping to end the American rebellion peacefully. Discover the signers of the Declaration of Independence and the risks they took. |
| Jan. 13, 2011 | <i>The Amazing Trade Shop Science Race!</i> (premiere) – Root for student contestants as they compete to discover the physics, chemistry and simple machines employed by Colonial Williamsburg’s trades people to reconstruct an eighteenth-century coffeehouse. Quickly “Professor Eddie” hosts this engaging science game show! |
| Feb. 10, 2011 | <i>Freedom Bound</i> – Choice, hope and escape from slavery are highlighted in stories spanning three centuries. Examine the options for slaves willing to risk their lives from freedom. Where could they run? Whom could they trust? Learn how these answers changed over time, from the American colonies’ first slave laws to the Underground Railroad before the Civil War. |
| Mar. 10, 2011 | <i>Women of the Revolution</i> (premiere) – Bravery. Loyalty. Sacrifice. Women of the Revolution possessed all of these qualities. Explore the excitement, peril and individual stories of Deborah Sampson, Mary Perth, Martha Washington, and other women on both sides of the conflict who proved their mettle in American War for Independence. |
| Apr. 7, 2011 | <i>Making History Live</i> – What makes history come alive? Take a behind-the-scenes look at how historical African American character portrayals are created for Colonial Williamsburg’s Historic Area. From research through performance, experienced museum interpreters share their techniques for bringing the past to life. |

***RIGHTS: SC schools may view with 10-day fair use rights. (Can record, but lesson must be used within ten days and erased/destroyed within 45 days.) ONLY schools that get a scholarship through ITV for one program OR pay CWEFT to participate can keep the copy of the program(s) for the life of the tape, receive the guides, get online access, and have phone interaction with the historians.**

Thank you for a great year!

We at *StreamlineSC* would like to thank you for a wonderful 2009–2010 school year. There have been over 2.1 million views of Streamline videos this year. We have also trained over 3,724 teachers at hands-on workshops this year. We are delighted to provide a service that so many teachers across the state find valuable.

FREE Technology Workshop at ETV – July 27-29, 2010

ETV will once again host a technology workshop at the ETV studios. The dates are July 27 through July 29 and hands-on sessions will include Movie Maker, Digital Storytelling, Blogging, Google Earth, Using Smart Boards, Promethean Boards, and much more. You may come for one day or all three days. Registration will begin on the Streamline Website mid-May. One-hour recertification credit will be offered through ITV. Check the Website for a flyer to post in your school.

OnePlaceSC - One User Name, One Password and One Integrated Search

ETV's *OnePlaceSC* allows educators to search quality educational content to assist in focusing on instruction, not managing classroom resources. It contains a TV guide feature displaying all of ETV's satellite and broadcast live programming which can be streamed on-demand, including current Staff Development programs. Using their existing *StreamlineSC* username and password, educators are able to explore all of the wonderful educational tools in ETV's *OnePlaceSC*.

Think Ahead

Kick-off the school year with a free, hands-on *StreamlineSC* workshop. We offer workshops on Basic Streamline, Streamline "Builders" (Quiz, Assignment and Writing Prompt Builders), Movie Maker, Digital Storytelling, and Using Digital Video Cameras. We are beginning to book training dates for the 2010-2011 school year so contact us soon. Email Debbie Jarrett at djarrett@sctev.org or Donna Thompson at dthompson@sctev.org to arrange a workshop to meet your school's needs.

For more information about *StreamlineSC* or to arrange a training session for your school, please contact Debbie Jarrett at 803-338-7203 (djarrett@sctev.org) or Donna Thompson at 803-338-1384 (dthompson@sctev.org). Visit the Web site at <http://etv.streamlinesc.org>.

New Videos Added to *StreamlineSC*

- Education Oversight Committee (EOC) Teleconference
- Haiti's Killer Quake: Why It Happened
- A Literary Tour of South Carolina series
- Statewide Virtual Faculty Meeting with Jim Rex (March 8, 2010)

Knowitall NOTES

“Stay On Track with SCTRAC!” www.sctrac.org

May 10, 8:00–8:01 a.m. Channel 1

Also available in *StreamlineSC*

Repeats May 17, 8:00–8:01 a.m. Channel 1 (Unlimited rights)

Access this PSA to use with your students about South Carolina's new Transfer and Articulation Center. Also check out www.sctrac.org! The South Carolina Commission on Higher Education is pleased to announce the launch of a web portal designed to improve college course transfer and articulation in the state. The system provides students with the information and tools needed to make sound academic decisions and better choices by avoiding taking courses which will not count toward a degree. Using the site, students can easily: locate information related to transfer, including application deadlines, requirements concerning the transfer of credit, and contact information for institutional transfer officers; access transfer agreements that exist among the state's public institutions as well as statewide transfer agreements; and search for course equivalencies to determine how courses taken at one institution may transfer to another. Use this 30 second PSA in your school news programs to let students know! For information, contact Clint Mullins, CHE Division of Academic Affairs and Licensing, at cmullins@che.sc.gov.

Web Talk with Michelle Flamos

As we draw near the close of another school year, we'd like to share with you the resources that will be available for the 2010–2011 school year. Due to budgetary constraints, we will not lease any new resources and we will be dropping 2 leased series. They are **Teen Kids News** and **Voices in Democracy – H.S. Edition**.

Teen Kids News airs throughout South Carolina on various commercial stations. Visit <http://www.teenkidsnews.com/showtime/showtimes.html> to see when it airs in your local market. Scroll down and choose South Carolina. You can record and use these under the 10 day fair use copyright provision. To obtain A/V rights for **Voices in**

Democracy – H.S. Edition visit <http://www.shopgpn.com/> and search for **Voices in Democracy**. We are working to maintain all other resources and are adding a number of NEW locally-produced resources. Be assured that ITV will continue to create and produce useful classroom resources and educator professional development. We strive to post all professional development resources online within 10 days of the original air date.

We'll miss you during the summer. Please drop us a line and let us know what you are doing. We love to hear from each of you on what's going on, what you need and how we can help. We are here for you. Contact: Michelle Flamos mflamos@sctev.org or 803-737-0951.

NASDSE – National Series Provided by SCDE

The **National Association of State Directors of Special Education (NASDSE)** Satellite Conference series is funded by SCDE's Office of Exceptional Children and is recommended for use by SC schools. Topics for the teleconferences are consistent with the theme of educating all students, including students with disabilities, by implementing and sustaining emerging practices to support students as they learn. National experts will provide important information on these high-interest topics. Recommended for state directors of special education, state agency staff, local administrators, teachers, related service providers, families, and other stakeholders.

Policy to the Classroom

May 7, 1:00–3:00 p.m. Channel 6

Repeats May 13, 1:00–3:00 p.m. Channel 2 (Unlimited rights)

Back by popular demand, Nancy Reder, NASDSE'S Director of Government Relations, and her guests will provide an update on current education policy and talk about the impact of federal policies on the classroom. Interesting interviews about teaching styles, changes and challenges in education, and what has made each educator successful, along with footage in their classrooms, provide insight into why teaching is the chosen career for these outstanding educators. This program is a good resource for new teachers and teacher cadets, but inspirational for all educators.

In Our Schools - SC Teacher of the Year 2010–11

Repeats May 13, 10:30–11:27 a.m. Channel 1 (Unlimited rights)

This program aired April 25 on ETV. It features the five finalists for the 2010–11 SC Teacher of the Year: **Kelly H. Nalley**, a second through fifth grade Spanish teacher at Fork Shoals School in Greenville County Schools; **Melody Johnson**, a fourth grade teacher at Lugoff Elementary in Kershaw County Schools; **Julia Goodman Marshall**, a fifth grade teacher at Oakdale Elementary in Rock Hill (York) District Three; **Dr. Samantha Maddox**, an English language arts teacher at Spartanburg High School in Spartanburg School District Seven; and **Olivia “Libby” Ortmann**, a social studies teacher for grades six through eight, and lead CRT at Alice Drive Middle School in Sumter School District Seventeen. One of these outstanding educators was named our new SC Teacher of the Year on April 28th! See them in their classrooms and hear about their love of teaching!

Repeats May 13, 11:30–11:57 a.m. Channel 1 (Unlimited rights)

Bryan Coburn, a pre-engineering, computer programming and business teacher at Northwestern High School in Rock Hill School District Three of York County, was named SC Teacher of the Year in May 2009 and immediately began his job as Chief Ambassador for our teachers. ETV visited his classroom when he was a finalist and then caught up with him at BC High School to talk about his role as our SC Teacher of the Year.

- **In Our Schools – L.A.T.T.I.S. (Looping Advances Teacher Teaming and Innovation in Schools (20:47, slate 2468-1052)**

Repeats May 13, 12:05–12:26 p.m. Channel 1 (Unlimited rights)

This segment was part of the March 2010 edition of **In Our Schools** and highlights Greenville County School District's Mountain View Elementary School's work to set up and manage multi-age classrooms. Mary Ruzga, SCDE's Office of School Choice and Innovation, coordinates this initiative statewide and worked with two outstanding teachers at Mountain View to showcase what they are doing to impact student learning.

- **In Our Schools – Kelly Mill Middle School (26:46, slate 2468-1055)**

Repeats May 13, 12:30–12:57 p.m. Channel 1 (Unlimited rights)

Join Ed Falco, SCDE Consultant for Environmental Education, to learn about the innovative **environmental education program at Kelly Mill Middle School** in Blythewood. Administrators, teachers and students share strategies they are utilizing successfully in “Implementing an Innovation – Across the Curriculum and Out the Door!” This segment aired as part of the **In Our Schools** program for March 2010.

- **In Our Schools – Windsor Hill Elementary School (16:28, slate 2468-1053)**

Repeats May 13, 1:00–1:17 p.m. Channel 1 (Unlimited rights)

This segment aired in the March edition of **In Our Schools**. Windsor Hill Elementary in Dorchester School District Two is celebrating success with their arts integration program that involves all students, including their special needs population. This fine SC school was a Kennedy Center School of Distinction Award recipient in 2009. Hear from teachers and students as we see how this innovation has engaged students!

What's Possible: Turning Around America's Lowest-Achieving Schools (Chicago Turnaround) – Access in SL

- National Program Available Online in *StreamlineSC* (not broadcast)

This program, approximately 10 minutes in duration, is available online in *StreamlineSC*. Provided by the U.S. Department of Education, this program focuses on the **Harvard School of Excellence in Chicago** that was ranked before 2007 as one of the 10 worst elementary schools in all of Illinois. Now, three years later, it has key components of the turnaround model: a new principal, highly trained and effective teachers; a curriculum based on high expectations and frequent assessments; and a culture of intellectual curiosity and personal respect. In two years the number of students meeting or exceeding state testing standards has increased by 25%.

CONGRATULATIONS to SCASL Winners!

The winners of ITV's two scholarships for our new 3 hour recertification course, *Natural History In and Out of the Classroom with Rudy Mancke*, are **Jennifer Pinckney from Gloverville Elementary School in Gloverville** and **Stephanie Nichols from Sterling School in Greenville**. Each one also receives a copy of *Animal Tracks*, a nature book recommended by Rudy. Thank you all for coming by our ITV/ETV booth to chat and register and congratulations to Jennifer and Stephanie!

Library Media Specialists Town Meeting – May 20th

May 20, 3:00–4:00 p.m. Channel 1

Repeats May 27, 3:00–4:00 p.m. Channel 1 (Unlimited rights)

For our last LMS Town Meeting in the 2009–10 school year, Martha Alewine will spend time looking at the new questions for the LMS Annual Survey as well as provide an update from SCDE. In addition, we'll get an update from the ITV staff and hear about new video-based instructional programming, which has been approved by the State Board of Education for the ITV schedule for next school year. Please plan to join us for this important program that is for all media specialists!

KITE-LL Teacher Training Modules Repeat

Repeat block feed May 11, 9:00 a.m.–2:10 p.m.* Channel 2 (Unlimited rights)

NOTE: KITE-LL stands for “Kids Interacting Through Early Language Learning.” These programs that were produced in spring 2009 are designed for use by schools that are approved to participate in KITE-LL. For information on using this resource available in French, German and Spanish at your elementary school, contact Ruta Couet, SCDE World Language Consultant at rcouet@ed.sc.gov.

Module 1 - KITE-LL Methodology and Community Outreach (duration 56:46)

Helps language teachers new to the KITE-LL program understand the non-negotiables of the KITE-LL program: instruction in the target language only, curriculum based on grade-level standards as well as authentic materials from the target culture and performance assessments at the end of each unit. In addition, KITE-LL teachers get ideas on how to sustain the language program through community outreach.

Module 2 - A Week in the Life of a KITE-LL Teacher (duration 56:10)

Provides an orientation for language teachers who are new to the KITE-LL program, taking them through each day of a typical week of instruction. Teachers learn what, when and how to present each lesson and how to work with the classroom teachers in their schools who are responsible for the monitoring of students during the taped lessons.

Module 3 - Assessing Students in KITE-LL (duration 49:46)

Takes language teachers through the process of assessing student performance in the three modes of communication: interpersonal, interpretive and presentational at the end of each unit. Teachers learn how to prepare students and use rubrics for assessment.

Module 4 - KITE-LL Blackboard & Online Resources for KITE-LL Teachers (duration 23:30)

Guides language teachers who are new to the KITE-LL program through the secure Blackboard site that houses all of the KITE-LL materials. Teachers learn how to use the Instructor's Guide, access copy masters and interact with others using program in SC.

Module 5 - How Classroom Teachers Contribute to KITE-LL's Success (duration 59:14)

Outlines the responsibilities of classroom teachers who are new to the KITE-LL program. The focus is on how the classroom teacher works with the KITE-LL language teacher in order to ensure student success in the language program.

Module 6 - How Principals Ensure KITE-LL's Success (duration 46:26)

Outlines the responsibilities of instructional leaders to principals who are new to the KITE-LL program. The focus is on the conditions necessary for the successful implementation of the KITE-LL program.

Carolina Careers Career Guidance Workshops

The State of Gifted and Talented in SC

May 21, 2:00–3:00 p.m. Channel 2 Also access online in SL and Educator+
Repeats May 28, 2:00–3:00 p.m. Channel 2 (Unlimited rights)

The theme for the May program is *Planning for Next School Year*. Hosted by Rick Blanchard, Education Associate for Gifted and Talented Initiatives in SCDE’s Office of Standards and Support, this program also provides State Department updates, a budget update, G & T in-the-news highlights, a book review of a useful reference for professional development, FAQs (frequently asked questions), and other resources. For more information, contact Rick Blanchard at rblancha@ed.sc.gov.

School Health, Nutrition & Physical Activity – Making IT Happen!

May 13, 1:00–2:00 p.m. Channel 2 Also access online in SL and Educator+
Repeats May 20, 1:00–2:00 p.m. Channel 2 (Unlimited rights)

The NEW May program will include “Health Tips” with national expert Kellie O’Donnell, information about the importance of eating more family meals at home and how families can plan to do it, and one of the **School Health Success Stories** where we take a look at what a school or district is doing to impact health and learning. This SCDE Professional Development series is a cooperative effort between the State Department of Education’s Office of Healthy Schools, DHEC Region 3, ITV, and ETV. The series provides information on nutrition guidelines, obesity, wellness policies, resources, and successful programs. Also, successful programs being implemented in schools are highlighted, providing information on ways schools can incorporate these programs into daily school activities. Join host Susan Collier, DHEC Region 3, for this last program of the current school year.

24/7 Technology – Best Practices and Resources

Repeats May 7, 1:00-2:00 p.m. Channel 2 (Unlimited rights) Access online in SL & Educator+

The April edition, entitled *The Challenger Learning Center*, repeats this month. The Challenger Learning Center is an exciting, hands-on simulated space science environment where students and educators work in teams to solve real-life math, science and technology problems during a space flight simulation. Challenger Learning Center professionals will demonstrate how they use technology to conduct educational programs for students and technology workshops for teacher certification. Recommended for district technology coordinators, school technology educators, tech coaches, and teachers, this series is coordinated by ITV’s Education Associate for Curriculum and Professional Development. Contact Warren Wise at wwise@scetv.org.

Other SCDE Professional Development

These programs are produced by the content professionals at the South Carolina Department of Education and offer unlimited rights. Some of these programs are also available online in *Educator+*.

All SCDE Professional Development series have unlimited rights.

- **Special Education Updates** – May 10, 1:00–2:00 p.m., on channel 2. Repeats May 20, 2:00–3:00 p.m., on channel 2. This program will provide information about Special Education that is important as we approach the end of the school year. SCDE Contact: Michelle Bishop, mbishop@ed.sc.gov.
- **ESOL Information Updates** – The April 29 program repeats May 6, 3:00–4:00 p.m., on channel 2. Provides information on English Speaker of Other Languages/Title III issues and programs. The April edition focused on ELLs who have been identified for special education services or who may be potential special education students. Education Associates from SCDE’s Office of Exceptional Children join in a conversation about identifying and serving these students. The intended audience includes special education, ESOL and mainstream teachers, school administrators, and district staff responsible for the instruction of these student groups. For more information on content, contact Catherine Neff cneff@ed.sc.gov.
- **School Counseling Updates and Strategies** - The April program repeats May 3, 2:00–3:15 p.m., on channel 1. In order to ensure that students from other cultures have equal access to support services and gain sense of belonging in the school community, counselors must not only develop caring relationships, but also understand cultural mores. In the last program for this school year, we promote awareness of best practices in effective communication with students and families of the Hispanic community. For more information on content, contact Joan Dickinson at jdickins@ed.sc.gov.
- **SC Reading First** – The April program repeats May 4, 3:00–4:00 p.m., on channel 2. Jennifer Brown, SCRF Regional Literacy Coach/SCRF Professional Development Provider with the State Department of Education, hosts this program. The April program, entitled **S³ ELA Curriculum K–8th Grades**, was broken into segments for K–2, 3–5 and 6–8 grades. Classroom teachers and administrators will have an opportunity to learn more about and how to utilize S³ ELA Curriculum lessons and assessments. The focus will be on the last nine weeks. The S³ ELA Curriculum can be located at www.s2martsc.org. SCDE contact: Pamela Wills, pwills@ed.sc.gov.

SC State Museum – Resources for Educators

May 5, 2:00–3:00 p.m. Channel 2

Repeats May 14, 11:30 a.m.–12:30 p.m. Channel 2 (Unlimited rights)

This month’s show is all about environmental projects you can do at your school. Host Tom Falvey, Director of Science and Outreach at the SC State Museum, highlights some important partnerships, when he welcomes guests from the Green Steps program. You will learn what it takes for your school to become a Green Steps school and learn about some of the great projects (composting, recycling and tap-and-stack) other schools around the state are doing. You’ll also learn how to create a poster tube orchestra for your classroom. For more information on program content, contact Tom Falvey at tom.falvey@scmuseum.org.

Arriving in Your Schools This Summer!

Don’t miss these “classics” arriving in your school in early August! See more details on page 3.

* **ITV Link** – One for each teacher in boxes sent to your school or delivered by your DES staff.

* **ITV New School Year Packet** – Important info on ITV and ETV resources and *StreamlineSC*.

Project Discovery from Congaree National Park

Repeats May 3 and 26, 1:00–1:57 p.m. Channel 1 (Unlimited rights) (No interaction for repeats.)

Project Discovery is an interactive field trip produced by ITV with ETV that takes SC students to visit interesting places and learn from historians, naturalists and others! Designed for upper elementary, middle and high school students, this special program was broadcast LIVE April 22, 2010 from the **Congaree National Park** to learn about conservation of one of the oldest and largest tree canopies in the world!

Host Bette Jamison and naturalist **Rudy Mancke** with special guests from the Park Service and DHEC take students on a virtual visit to our state's "Biosphere Reserve," an international designation received because of the uniqueness of the Congaree National Park – a place of towering trees, primeval forest landscapes, diverse plant and animal life, and tranquility.

During the program, students were able to learn the history of the Palmetto State's national landmark and experience national and state champion trees and astonishing biodiversity as we explored the largest remnant of old-growth floodplain forest remaining on our continent and talked about its conservation to keep it here for all of us and future generations.

Repeat - James Otis Lecture for Constitution Day

Repeats May 4, 1:00–3:07 p.m. Channel 1 (Unlimited rights)

This program aired September 18, 2009 as part of the "Constitution Day at the SC Statehouse" programs. The James Otis Lecture was a special broadcast from the floor of the SC House of Representatives for Constitution Day. The **SC Chapter of the American Board of Trial Advocates** provided the educational program named in honor of James Otis with featured speaker pre-eminent SC Historian, **Dr. Walter Edgar**. An attorney from Boston and a SC Supreme Court Justice also participated. Every high school in our state was invited to send one student as a "James Otis Scholar" to this special event at the State House.

Detective Bonz and the SC History Mystery Wins Award!

Did you know that **Detective Bonz and the SC History Mystery** Lesson 5 is the most used program in *StreamlineSC*? ITV received the SCETV and Discovery Education "Lifetime Utilization Award" for **Detective Bonz** because it has been accessed by SC educators to use in the classroom more than any other program in ALL of *StreamlineSC*! WOW!!! Thank you all for using this series that was produced by ITV and ETV. Congratulations to Kathy Bradley who helped create the series and wrote the popular "Regions" song in this lesson, to Pat Henry who was our ETV director and to the ITV staff who worked on this locally-produced ITV series designed to support the study of our state's history for third-grade students!

Forward Focus Reminders for May and Beyond!

- ❖ Please fax or e-mail the form on page 27 by May 31st to let us know the number of *ITV Link* publications you need for your teachers.
- ❖ Please post the 2010 Summer ITV Recertification Courses Flyers found on the last pages of the *ITV Update* or access the full-page flyers and complete registration packet online at www.itv.scetv.org. All course info and registration are online. **Registration deadline is June 10.**
- ❖ Please talk to your school administrator and custodial staff about the package(s) containing the *ITV Link* that will arrive in early to mid August. They will be marked! You should have one copy for every teacher.
- ❖ Please look out for the **ITV New School Year Packet** that will be sent to every media specialist and DES in early to mid August.
- ❖ Please have a great summer and call us if we can be of service to you! 1-877-885-5272.

Thank You to Our Media Specialists, DES and RTS Friends!

We appreciate your assistance in disseminating information and your work to help your teachers use ITV/ETV video-based resources. Your input is invaluable to us as we work to provide effective instructional television resources and efficient services for our SC schools.

While you are taking a break this summer, please check the ITV Web site to see what you've been missing! In Educator+ and *StreamlineSC*, you'll find some great professional development you might not have known was even there. Be sure to continue to check out all the new K–12 programs now in *StreamlineSC*. More new content will be added over the summer so give it a search! Contact ITV or ETV if you have questions. We are here all summer except for a little vacation and it's not too early to call to schedule workshops for the fall so contact us toll free at 1-877-885-5272.

Thank you for ALL your work every day to support education. We would not be successful without you. Your dedication is very much appreciated. Our best wishes for a safe and happy, well-deserved break and we all look forward to working with you in the next school year!

College Access for All Students: Strategies for School Counselors in Career and Academic Advising Sponsored by the SC Commission on Higher Education

NEW ONLINE COURSE!

Register Online: www.itv.scetv.org

Cost: \$50.00 per participant per course

Recertification: 1 Hour or 20 Renewal Credits

Course Dates: June 14–August 9 (8 weeks)

**Registration Deadline:
June 10**

Overview

This new one-hour course, developed for practicing professional school counselors and pre-service school counselors, includes four sessions: introduction to the counselor's role in student career and academic planning; creating a college-going culture; understanding and working with diverse populations; and communicating effectively with diverse student populations. These sessions are designed for school counselors to develop an understanding of their role in developing a college-going mission for all students, particularly students in poverty or facing other barriers in postsecondary planning. Additionally the sessions help counselors develop approaches for communicating and working with high-poverty students and diverse populations to remove barriers to high aspirations and achievement.

All class meetings will take place through distance learning. The instructor and participants will communicate via Moodle—the course platform on the Internet. Assignments and discussion forums will be facilitated in Moodle.

Goals

During this course, counselors will learn to:

- understand and communicate the role of the school counselor across all areas to gain faculty and administrator support for the counseling program
- advocate for the improvement of student school success and to remove barriers to high aspirations and achievement
- promote a “college-going” mission across the total school landscape
- identify and understand how the diversity of the school cultural landscape impacts college access and success
- develop strategies and approaches for communicating and working with diverse student and parent population

Natural History In and Out of the Classroom with Rudy Mancke Course Synopsis

Register Online: www.itv.scetv.org

Cost: \$150.00 per participant

Recertification: Three Hours or 60 Renewal Credits

Registration Deadline: June 10

Course Dates: June 14–August 9, 2010

Course begins online June 14!

This new three-hour recertification course will assist educators in integrating Natural History into the curriculum. Learn about nature with Naturalist Rudy Mancke and see how you can take your students right out the door of your school to learn about the world around them! The course is structured around four components: *A Teacher Workshop* that explains what natural history is, why we should study it, and how to integrate it into the classroom; *A Field Study* that shows teachers how the school yard can be used as an outdoor classroom; *Show and Tell Nature Lessons* that provide an in-depth look at mountains to the sea, geology, skulls and bones, beach combing, fossils, insects, and snakes; and *NatureScene* programs which will be used as virtual fieldtrips to learn more about natural history.

Course requirements

1. Attend required final class meeting in Columbia at the ETV Telecommunications Center, 1041 George Rogers Blvd. on **Monday, August 9, 10:00 a.m.–12:00 noon.**
2. View the video lessons. Participants are expected to view all of the course video sessions. The video lessons will be accessed online in *StreamlineSC* <http://www.scetv.org/education/streamlinesc/>.
3. Choose a well known naturalist and write report on him or her.
4. Write a brief response for each of the *Show and Tell Nature Lessons*.
5. Based on what you have learned through the four components of this course (*A Teacher Workshop, A Field Study, Show and Tell Nature Lessons, and NatureScene Programs*), create four detailed lesson plans that would be useful in your classroom and that you would be willing to share with other teachers.
6. View 5 *NatureScene* programs. Make a list of the plants and animals mentioned in each program.
7. Come to the final meeting prepared to present a lesson plan that you created from one of the components of the course.
8. Complete Course Evaluation Form at the final meeting.
